

Information and Guidelines for Poster Presenters

Poster Preparation

Display Facilities

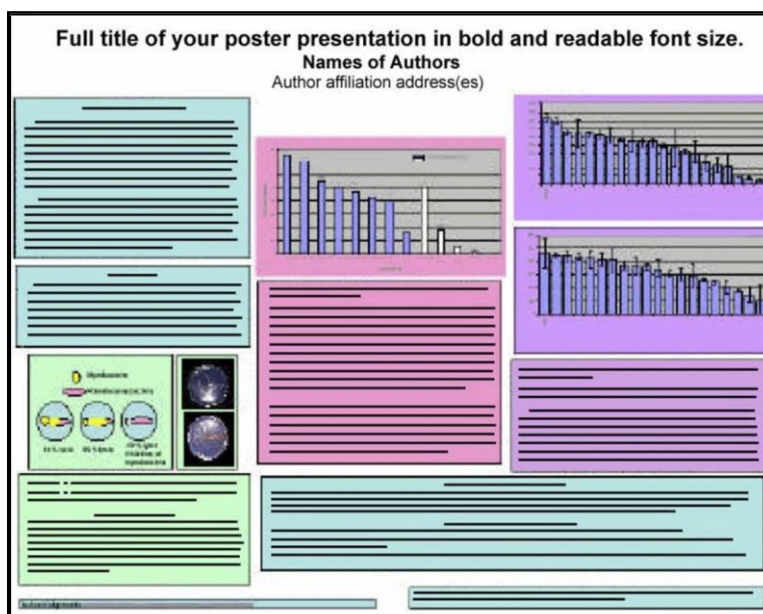

- One panel is available for display of each poster. Posters should use A0 format and not exceed (84.1 cm wide x 118.9 cm high).
- Poster boards will be numbered. Place your poster on the appropriately numbered poster board for your poster session.
- Push pins for attaching the poster display to the fabric panel backing are supplied by IS-MPMI.
- Electrical outlets will not be provided in the poster presentation area.

IMPORTANT: If your poster is not displayed by the time Presenting Author at Posters hours begin, it will be noted as a “no-show” and withdrawn from the program and publication.

Preparation of Poster

- The official language for the posters is English.
- Prepare the poster on material that is lightweight.
- Handouts, if appropriate, should be directly related to the topic of the poster and must not contain advertising.
- Your poster should be self-explanatory so that you are free to supplement and discuss particular points raised by inquiry. It may include diagrams and charts, reaction schemes, table recordings, graphs, photographs, or written text, such as abstract summary, introduction, methods, results and conclusions.

Sample Poster Layout

Poster Layout

- Posters should be readable from 2 meters (6 feet). Capital letters should be at least 1 cm (3/8 inch) high after enlargement to full poster size. Photographs should be a minimum of 5x7 inches.
- Avoid overcrowding figures into tables. Legends and titles should accompany all figures, tables, photographs, etc. to allow their immediate identification.
- If you are not familiar with this form of presentation, we recommend that you plan the layout of the poster with an art/design consultant and consider having the artwork professionally drawn.
- No commercial activities nor any advertising may be displayed on the posters. Not complying with this rule will result in the poster being removed.

Presentation Schedule

Poster set-up, poster take-down, and your scheduled poster presentation time will be listed in the program schedule.

IMPORTANT: If your poster is not displayed by the time poster viewing with authors begins, it will be noted as a “no-show” and withdrawn from the program and publication.

Poster PDF Upload and MPMI Journal Poster Awards

All poster presenters will be asked to upload a PDF of their poster presented at the meeting to be included with Congress recordings providing an opportunity to share your research with the broader IS-MPMI community and continue conversations beyond the in-person meeting. Additionally, each poster will receive a DOI citation.

If you would like your poster to be considered for the MPMI Journal Poster Awards you must upload your poster no later than **30 June**. The competition is open to IS-MPMI student members. Each poster will be evaluated based on the following criteria:

- Visual Elements
 - Are the components of the poster organized in a logical flow?
 - Are text and graphics legible
- Content
 - Are the components of the poster organized in a logical flow from background to significance?
 - Do the findings support the conclusions?
- Impact
 - Does the research have the potential to make a novel impact to the field of MPMI?
 - Does the poster present the importance of this potential contribution?
